

Sydney Bridge Centre is proud to be supporting local and global Charities and causes with our **Good Support** program.

**How it works:**

Each time you win an Open or Supervised session at Sydney Bridge Centre you receive a Prize Card with your name on it.

Place your Prize Card in the jar of the Charity or Cause that you wish to support.

We change the Charities each quarter.

## **For the Charities:**

At the end of each quarter we count the Prize Cards in each jar and donate \$300 to the charity with the most cards, and \$100 to each of the others, so everyone gets something.

**First: \$300**

**Second: \$100**

**Third: \$100**

## **For the Players:**

After counting the Prize Cards in each Jar, we combine all the Prize Cards from all the jars into one barrel and draw a winning player.

The winner can select a prize from the prize list.
